## Not for Sale

On July 29th, 1954 the stork brought identical twin boys down to the hospital where I took my wife early that morning. We brought them home 3 days later. We are going to keep them a while to see how they turn out. Life will never be the same again.

If you want to sell cut flowers, here is a collection of approximately 25 good cut flower varieties all labeled and in proportion to amount of each color that you should have. These are No. 4 size bulbs which are 3/4-inch to 1-inch in diameter.

2,500 Bulbs — Prepaid .....	\$ 85.00
5,000 Bulbs — Prepaid .....	150.00
10,000 Bulbs — Prepaid .....	275.00

These will produce nice flower spikes with 16 to 20 buds the first year and will grow into large and jumbo bulbs.

State whether you want them to sell retail or to sell to florists or just to grow for your own amusement and for church, etc. Then I can make up the mixture to suit the occasion.

Variety	Large	Medium	Variety	Large	Medium
SHERWOOD—Bright purple .....	2 for .25	3 for .25	UHU—Smoky lilac and red.....	2 for .25	3 for .25
